TESTIMONY

Herewith, I testify that in this research paper there is no plagiarism of the previous literary work which has been raised to obtain master degree of a university, nor there are opinions or masterpieces which have been written or published by others, except those the writing which are referred to the manuscripts mentioned in bibliography.

Hence later, if it is proven that there are some untrue statements in this testimony, I will hold fully responsibility.

Surakarta, November 2011

Writer,

Ani Kusmaryuni

MOTTO

“Allah does not burden a person but according to his ability" (Al-Baqarah: 286)

Something that has not been done, often seems impossible: we just believe that we have managed to do well.

Evelyn Underhill

DEDICATION

This research paper is dedicated to:

With deep gratitude to God, My beloved mother and father, husband and
children, who always supported me, my peers,.
Hopefully useful research

ACKNOWLEDGMENT

Alhamdulillah *robbil'alam*, praise is for God who has given Guidance and Mercy, so the thesis entitled *English Laboratory Management (A Site Study at SMP Semesta Semarang)* can be finished. This thesis is one of academic requirements to get the degree of Educational Management Master on Graduate School, Muhammadiyah University of Surakarta.

The writing process does not lost of input and suggestion from many parties who can not mentioned one by one. Therefore, in this occasion, the writer would like to express her gratitude to:

1. Prof. Dr. Bambang Setiadji, the Rector of UMS who has given a variety of facilities in completing study at UMS.
2. Prof. Dr. Khudzaifah Dimyati, M. Hum., The Director of Graduate School at Muhammadiyah University of Surakarta who has given opportunity to the writer to continue the study.

SUMMARY

Ani Kusmaryuni. Q.100.090.229. *English Laboratory Management (A Site Study at SMP Semesta Semarang)* Thesis. Graduate School, Muhammadiyah University of Surakarta. 2011.

There are three objectives in this research are: (1) the characteristics of room management applied in English laboratory in SMP Semesta Semarang, (2) the characteristics of English lab materials in SMP Semesta, (3) the benefits of English laboratory in SMP Semesta Semarang. It is a qualitative research using ethnography design.

The results of the research show: (1) Design of space in the language laboratory SMP Semesta Semarang using double separate table rows. Existing equipment in the lab of English instructor consoles among other, repeaters language learning machine, tape recorder, DVD player, video monitors, headsets and students booth mounted in a soundproof room. (2) The materials of lab are instructor console, repeaters language learning machine, tape recorder, DVD player, video monitors, headsets and students booth mounted in a soundproof room. Language Laboratory is a form of audio and video electronic devices consisting of instructor console as the main engine. It is also equipped with multimedia devices such as Tape Recorder, VCD / DVD player, there is also a repeater monitor or language learning machine. (3) English lab also has benefits for extracurricular activities. Extracurricular activities include Classic Speaking Club (ECC). ECC activities can be done in the lab. In SMP Semesta there are variety of extracurricular activities such as journalism, photography, theater, Home Public Speaking, etc.. Home Public Speaking is extra-curricular activities about English usage. Given the expected extracurricular English language skills will increase the student. In addition there is also a component of a multimedia computer as an additional component that can be combined with other apparatus. When it is fixed, the language lab and lab equipment as a multimedia language laboratory were built.
